

Instructions for Joining the Virtual Cranston Street Armory Public Meeting

October 13, 2020 | 3:00 – 5:00 PM ET

October 15, 2020 | 5:30 – 7:30 PM ET

Please read this entire message for details on joining the meeting.

We will be using the videoconferencing platform Zoom. If this is your first time using Zoom, you will be prompted to download a small application file. [Learn how to join any Zoom webinar here.](#)

For added security we will be using Zoom's Webinar feature. If you are familiar with Zoom, the Webinar may look and feel a little bit different than your usual Meetings. Upon joining the call, please anticipate that your ability to speak and turn on your camera will be limited. These are settings that we have enabled for the protection and running of our meeting. Presenters and the project team will have the ability to be seen and heard, other participants will be able to watch the meeting, and share relevant comments or questions for the presenters with the facilitation team.

We will go over all features of the Webinar format and how you will be able to participate at the beginning of the meeting.

If you would like to orient yourself to what it is like to be on a Zoom Webinar in advance, [learn about joining and participating in a webinar as an attendee.](#)

- Please note: All webinar functions are customizable by account, so ours might not look exactly as described in this article.

If you are unable or would prefer not to join the meeting using Zoom, you can also join by phone using any of the phone numbers below and then entering the Webinar ID.

If you have any questions about getting started with Zoom, please don't hesitate to reach out to Maggie Osthues at mosthues@cbi.org.
